IMPORTANT INFORMATION ON UNIVERSITY PROCEDURES AND PROCESSES

DEFERMENT OF ADMISSION

An applicant who for any reason is unable to take up the offer of admission will be required to inform the Registrar (ASA) by either filling in Form JI/1B of the Joining Instructions or writing directly to the Registrar (ASA). This information should reach the Registrar (ASA) at least one week prior to the date of registration. An applicant will be required to apply to defer admission on an annual basis but after the second year the offer of admission will lapse and the applicant will be required to re-apply afresh for admission. It is important that an applicant who defers admission ensures that he or she receives an official letter of deferment of admission from the Registrar (ASA). An applicant who fails to inform the Registrar (ASA) of his/her deferment of admission will be deemed to have forfeited his/her position and will be deregistered from the course admitted to.

STUDENT SMARTCARD

After the registration formalities, every student is issued with a Smart Card bearing his/her picture, name, registration number, the school, the course and the duration. The Smart card allows easy identification of students and enables them to access various University services (e.g. the library, the student health clinic, the halls of residence, etc). Every student must ensure that they have their smart card at all times and that the card has the correct information and is valid for the duration the student is in the University.

PROCEDURE OF REPLACING LOST SMARTCARD

A student who loses his/her Smart card will be required to report the loss to a police station and acquire an abstract. With a copy of the police abstract, they will also be required to report the loss to the office of the Registrar (Academic & Student Affairs) from where data will be sent to the National Bank of Kenya for ordering a replacement.

Replacement charges payable by the student will be as determined by the National Bank of Kenya.

TEMPORARY WITHDRAWAL

If for any reason a student who is already registered for a particular course has to leave the course for a particular period, the student will be required to apply to the Registrar (ASA) for temporary withdrawal. All applications for temporary withdrawal must be endorsed by the Dean of the respective School/Institute and must state the reasons for and the duration of such withdrawal. Any student who withdraws from a course without seeking appropriate authority will be deemed to have absconded from the course and will therefore be de-registered from the course.

INTER/INTRA-SCHOOL TRANSFERS

Inter/Intra-School transfers are processed within the first three weeks of the semester.

Students should note that transfers are only offered on two conditions if;

1. There is a vacant place in the intended destination School or Institute.
2. The student meets the requisite admission criteria for the particular course.

In addition, merit is used as criteria for transfer and that all applicants to a particular course will be ranked and allocated the vacant position on merit. Students who will have succeeded in their application for transfer will receive an official letter of transfer from the Registrar (ASA) and will be expected to report and register in their new courses latest by the fourth week of the semester. It is important for students to note that all Inter/Intra-School transfers are subject to approval by the Deans Committee and that once the transfers have been approved the exercise is closed and no late applications or appeals are considered.

ABSENCE DUE TO ILLNESS

A student who misses any lectures, practical(s), continuous assessments tests (CATS), examinations etc. due to illness, must inform in writing the lecturer concerned, the Chairman of Department and the Dean of the School of such absence as soon as is feasibly possible.

NOMINAL ROLL

The Nominal Roll is a record of students registered in each degree programmed every semester/year. It gives important details on the student as well as recording the progress of the student from semester to semester (and yearly). It is important for every student to ensure that he/she signs the nominal roll in the Dean's office of their respective School at the beginning of each semester and to ensure that the information given in the nominal roll is correct and up to date.

COURSE/SUBJECT REGISTRATION

Every student is required to register for the courses/subjects he will undertake ONLINE from the Student portal at the beginning of every semester (first three weeks). The student must ensure that the registration is complete and units registered are approved.

It's the responsibility of individual student to ensure that the units registered bare the correct course codes.

EXAMINATIONS PROCESSES AND PROCEDURES

i) Rules and Regulations

Examinations are very important component of a student's academic life and students are expected to familiarize themselves with examination rules and regulations in the courses they have chosen and that they have fulfilled all the examination requirements in each semester.

ii) Registration

At the start of each semester (within the first three weeks) every student must register for courses and the examinations that they are due to take during that semester ONLINE. It is important that students get the right information from their respective Schools/Institute on the examinations they are expected to take in each semester.

iii) Attendance

Students should note that they are required to attend all courses they are registered in and to take the requisite continuous assessment tests in those courses in order to be allowed to sit the end of semester examinations.

iv) Problems

A student who experiences a problem, which is likely to affect his/her examination performance (i.e. sickness, bereavement etc.) must report such problems in writing to the chairman of the department offering the courses the student is taking, and to the Dean of the School. Any problem that is reported after the examination results are known will not be acceptable for examination appeals.

The penalty for cheating in examination is **immediate suspension** followed by **EXPULSION** as per the university statutes XXVII.
